

Rule 42

Class: ILCA 6

Sail num	Infringement Number	Race	Rule	Competitor Action	Jury action	Notes
	1	10	42.2(d) - sculling	Two turns penalty	Sculling to offset steering of the boat caused by backing the sail. (AL/VB)	Sculling to offset steering of the boat caused by backing the sail. (AL/VB)
	3	9F	42.2(e) - PROPULSION	Race Abandoned	Repeated gybes unrelated to changes in the wind or to tactical considerations. (AL/VB)	Repeated gybes unrelated to changes in the wind or to tactical considerations. (AL/VB)
	1	10	42.2(d) - sculling	Two turns penalty	Forcefull sculling both directions. (VB/AL)	Forcefull sculling both directions. (VB/AL)
	1	9F	42.2(b) - rocking	Two turns penalty	Repeated rolling of the boat in connection with a change of course, by making big body movements followed by a relatively small change of course. (AL/VB)	Repeated rolling of the boat in connection with a change of course, by making big body movements followed by a relatively small change of course. (AL/VB)
	1	9F	42.2(b) - rocking	Two turns penalty	Repeated rocking caused by body movement with no associated change of course. (VB/AL)	Repeated rocking caused by body movement with no associated change of course. (VB/AL)
	2	9F	42.2(b) - rocking	Retired	Repeated rocking caused by body movement with no associated change of course. (VB/AL)	Repeated rocking caused by body movement with no associated change of course. (VB/AL)
	1	10F	42.2(a) - pumping	Two turns penalty	Repeated flicks of the sail due to body pumping (x3) to pass mark 1. (HB/CP)	Repeated flicks of the sail due to body pumping (x3) to pass mark 1. (HB/CP)
	1	9F	42.2(b) - rocking	Race Abandoned	Repeated rolling of the boat (x3 x3) due to in and out torso movements with out any course change. (HB/CP)	Repeated rolling of the boat (x3 x3) due to in and out torso movements with out any course change. (HB/CP)
	1	9F	42.2(b) - rocking	Race Abandoned	Repeated rolling of the boat (x3 x3) due to in and out torso movements with out any course change. (HB/CP)	Repeated rolling of the boat (x3 x3) due to in and out torso movements with out any course change. (HB/CP)
	1	7F	42.2(d) - sculling	Two turns penalty	Sculling forcefully in both direction while backing the sail. (TH/MS)	Sculling forcefully in both direction while backing the sail. (TH/MS)
	2	6F	42.2(b) - rocking	Retired	Body-induced rocking, no course change. (AL/HB)	Body-induced rocking, no course change. (AL/HB)

	1	6F	42.2(d) - sculling	Race Postponed	Sculling to offset steering of the boat caused by backing the sail. (AL/HB)	Sculling to offset steering of the boat caused by backing the sail. (AL/HB)
	1	5F	42.2(d) - sculling	General Recall	Repeated and forceful movements of the rudder (x6) propelling the boat forward between two boats at the Race Committee Vessel. (LJ/CP)	Repeated and forceful movements of the rudder (x6) propelling the boat forward between two boats at the Race Committee Vessel. (LJ/CP)
	1	4	42.2(b) - rocking	Two turns penalty	Body-induced rocking, no course change. (AL/CP)	Body-induced rocking, no course change. (AL/CP)
	1	4	42.2(d) - sculling	Two turns penalty	Forceful sculling both sides. (AL/CP)	Forceful sculling both sides. (AL/CP)
	1	4	42.2(a) - pumping	Two turns penalty	Three flicks of the leach caused by body movements to start. (PM/TH)	Three flicks of the leach caused by body movements to start. (PM/TH)
	2	3	42.2(b) - rocking	Retired	Repeated rolling of the boat in connection with a change of course, by making big body movements followed by a relatively small change of course. (PM/TH)	Repeated rolling of the boat in connection with a change of course, by making big body movements followed by a relatively small change of course. (PM/TH)
	1	3	42.2(b) - rocking	Two turns penalty	Repeated rolling of the boat induced by in and out body movements with no course changes. (PM/TH)	Repeated rolling of the boat induced by in and out body movements with no course changes. (PM/TH)
	1	3	42.2(b) - rocking	Two turns penalty	Repeated rolling of the boat induced by in and out body movements with no course changes. (PM/TH)	Repeated rolling of the boat induced by in and out body movements with no course changes. (PM/TH)
	1	3	42.2(b) - rocking	Two turns penalty	Three rolls of the boat induced by in and out body movements to start. (PM/TH)	Three rolls of the boat induced by in and out body movements to start. (PM/TH)
	2	3	42.2(b) - rocking	Two turns penalty	Second half of leg 5, observed repeated rolling of the boat (at least 3 series of 3 rolls), induced by in and out torso movements with no course changes. The penalty was signalled after PER 226027 rounded mark 3p to leg 6. PER 226027 took a two-turn penalty and then crossed the finish line. (AL/CP)	Second half of leg 5, observed repeated rolling of the boat (at least 3 series of 3 rolls), induced by in and out torso movements with no course changes. The penalty was signalled after PER 226027 rounded mark 3p to leg 6. PER 226027 took a two-turn penalty and then crossed the finish line. (AL/CP)
	1	3	42.2(b) - rocking	Two turns penalty	Repeated rolling of the boat (4 series of at least three rolls), induced by in and out torso movements with no course changes. (AL/CP)	Repeated rolling of the boat (4 series of at least three rolls), induced by in and out torso movements with no course changes. (AL/CP)

	1	1	42.2(b) - rocking	Two turns penalty	Body-induced rocking, no course change. (AL/CL)	Body-induced rocking, no course change. (AL/CL)
	1	1	42.2(d) - sculling	Two turns penalty	Forceful sculling both sides. (AL/CL)	Forceful sculling both sides. (AL/CL)
	1	2	42.2(b) - rocking	Two turns penalty	Repeated rocking caused by body movement with no change of course. (CL/AL)	Repeated rocking caused by body movement with no change of course. (CL/AL)
	1	1	42.2(d) - sculling	General Recall	Forceful sculling both sides. (AL/CL)	Forceful sculling both sides. (AL/CL)
	2	2	42.2(b) - rocking	Retired	Repeated rocking caused by body movement with no associated change of course. (CL/AL)	Repeated rocking caused by body movement with no associated change of course. (CL/AL)
	1	2	42.2(d) - sculling	Two turns penalty	Sculling forcefully in both directions which had the effect of preventing the boat from moving backwards (CL/AL)	Sculling forcefully in both directions which had the effect of preventing the boat from moving backwards (CL/AL)
	1	1	42.2(b) - rocking	Race Abandoned	Repeated rocking on the downwind. After each 'S' turn there was an additional rock without a change of course. This was observed 3-4 times. (CL/AL)	Repeated rocking on the downwind. After each 'S' turn there was an additional rock without a change of course. This was observed 3-4 times. (CL/AL)
	1	2	42.2(b) - rocking	Two turns penalty	After every second negative and positive turn sequence, repeated rolling of the boat induced by in and out torso movements (x3), without change of course. (AC/CP)	After every second negative and positive turn sequence, repeated rolling of the boat induced by in and out torso movements (x3), without change of course. (AC/CP)
	1	1	42.2(d) - sculling	General Recall	Repeated and forceful movements of the rudder in both directions (x5) propulsing the boat forward between a Greek boat to leeward and SUI 221910 to windward by the race committee vessel. (AC/CP)	Repeated and forceful movements of the rudder in both directions (x5) propulsing the boat forward between a Greek boat to leeward and SUI 221910 to windward by the race committee vessel. (AC/CP)
	1	1	42.2(d) - sculling	General Recall	Repeated and forceful movements of the rudder in both directions (x4) preventing the boat moving astern and holding position by the committee vessel. (AC/CP)	Repeated and forceful movements of the rudder in both directions (x4) preventing the boat moving astern and holding position by the committee vessel. (AC/CP)
